## Product Information / Wallchart

# CARPET FRESH

### CARPET & UPHOLSTERY DEODORISER & CLEANER

#### DESCRIPTION / APPLICATION

Use Carpet Fresh for neutralising odours due to urine, faeces, vomit and other organic soils.

#### FEATURES

- Contains natural tea tree oil
- Will neutralise almost any odour
- Ready to use

#### DIRECTIONS FOR USE

1. Test in a small inconspicuous area for colourfastness using a clean, white towel.
2. Remove as much excess soil as possible by absorbing onto disposable towelling.
3. Apply undiluted Carpet Fresh directly to the soiled area using the trigger spray.
4. Gently work Carpet Fresh into the soiled area.
5. Remove excess with blotting cloth and allow to dry.
6. Vacuum after drying to remove any residue.

#### HEALTH & SAFETY INFORMATION

See separate SDS available on request.
