EASI-CLEAN K7

HEAVY DUTY DETERGENT

DESCRIPTION

EASI-CLEAN is a straw coloured heavy duty liquid detergent. EASI-CLEAN is a blend of non-ionic surfactants, solvents, inorganic water conditioning agents and soil anti-deposition agents.

APPLICATION

EASI-CLEAN has been formulated to quickly remove grease, fat, dirt, protein and oil from a variety of surfaces. EASI-CLEAN is particularly effective on food plants and kitchens when used as directed.

BENEFITS

- Effective in hard and soft water.
- Free rinsing to ensure a nonslip finish.
- Economical fast spray-on, wipe-off application.
- Versatile in use as manual, spray or mechanical applications are able to be used.
- Particularly effective in the removal of heavy soil deposits found in kitchen and food plants.

DIRECTIONS FOR USE

For heavy duty cleaning, use at a concentration of 15-25 ml/litre (1 cup per bucket in hot water). Use with a mop, brush, sponge or spray. Wear gloves if using the product for manual cleaning. If deposits are heavy allow solution to penetrate for 5 minutes but do not allow to dry. Rinse well with warm water.

SUITABILITY OF CHEMICAL FOR FOOD PREPARATION AREAS

When used as directed Easi-Clean is suitable for use in kitchens and food preparation areas.
