

Product Information Sheet

Description: Specialist powerful hand cleaner with combination of dibasic esters and natural cornmeal scrub

Usage: For use at the end of each work period, or more frequently if required, to remove alkyd and acrylic based paints, resins, adhesives, lacquers, sealants, varnishes, most inks and dyes and most other print and paintshop contaminants.

Method of Use: Apply 1 dose to dry hands and rub in well to loosen all soilings. Rinse well with clean running water and dry hands thoroughly.

Feature	Benefit
Specialist cleansing power	Formula based on dibasic esters, proven highly effective cleaning agents for removing specialist print and paintshop contaminants.
Fast action	Works quickly, and easily rinses away to leave no residue on the skin.
Hi-tech formula	Uses 100% active ingredients in a clay-thickened matrix for high level, specialist cleaning performance.
Contains natural cornmeal hand scrub for deep clean	Natural, non-abrasive and biodegradable cornmeal scrubbers to give a deep clean without damaging the skin or harming the environment.
Contains added glycerine	Highly effective and environmentally friendly moisturiser for conditioning the skin, helping it to feel soft and supple after use.
Fruity fragrance	Fruity scent makes the product pleasant to use and leaves the skin smelling fresh.
Hygienic	The cartridge is ultrasonically sealed during the manufacturing process to protect the product. The unique patented pump is designed to prevent air ingress into the cartridge during normal use and thus minimise the risk of external contamination.
No wastage	As no air passes back through the pump the cartridge collapses during normal use to maximise evacuation of product.

Technical Data

Ingredients: CORN (ZEA MAYS) MEAL, TRIDECETH-5, DIMETHYL GLUTARATE, GLYCERIN, DIMETHYL SUCCINATE, DIMETHYL ADIPATE, STEARALKONIUM BENTONITE, SODIUM POLYACRYLATE, CELLULOSE ACETATE BUTYRATE, PERFUME, PROPYLENE CARBONATE, AQUA

Handling Instructions: Avoid contact with eyes. In case of contact with eyes, rinse immediately with plenty of water (for at least 10 minutes) and seek medical advice. Avoid accidental contact with surfaces or materials this product is not intended to be used on.
