

**WHEREABOUT SUPPLY**  
Workplace. Cleaning. Hygiene.

WS (Whereabout Supply) is an established distributor of a broad range of cleaning, janitorial, washroom, hygiene, packaging, and safety products that are used in most workplace environments. Quality, Service, and Value are the key ingredients that drive our business philosophy. Our products are sourced from both local and international sources. This allows us to provide a balance between highly competitive prices and quality products produced for the local market.

**Quality • Service • Value**

## Welcome to WS (Whereabout Supply).

This information will provide you with an overview and understanding of our business, our product range, and the service we offer to our valued customers.

We are an independently owned business with significant industry-buying group membership. We have been established for over 20 years and have grown to be a leading industry supplier with a broad range of customers. Our focus is on excellent customer service, quality, well-priced products, and efficient delivery timeframes.

Our staff are knowledgeable and well trained in our extensive product range. We constantly liaise with local and overseas suppliers to provide a superior offering to our customers. We value our customers and are always ready to welcome new customers.

If you are looking for a reliable supplier for the products we distribute, don't hesitate to contact the friendly team at WS (Whereabout Supply) or me. We will happily arrange a quote or personal visit to discuss your requirements.

*Adam Cameron*

Managing Director

## QUALITY ASSURED

WS (Whereabout Supply) prides itself on exceeding customer expectations and is driven by 3 key principles:

- **Quality**
- **Service**
- **Value**

We recognise that the company's continuing success depends on the value, delivery, and quality of the service we provide. We intend to provide service standards of the highest level that completely meet our customers' requirements. We have implemented a quality assurance system certified to the ISO9001:2015 Quality Standards to achieve this. Being a certified Quality Assured business highlights our ability to offer the highest level of service that sets us apart from our competitors. The WS (Whereabout Supply) Quality Assurance system has been designed and implemented to ensure customer satisfaction with our products, delivery, and service every time.

## DELIVERY SERVICE

All orders are delivered the next business day across the greater Brisbane Metropolitan area, Ipswich, and the Gold Coast.

We run our own fleet of modern delivery vehicles which allows us to control the delivery process and apply flexibility where required.
